Favorite Children's Book

Love You Forever by Robert Munsch

I Love Teaching Because:

Children are so full of energy and inquisitiveness. I love being a part of their learning process.

Favorite Children's Book

A Bad Case of Stripes by David Shannon

I Love Teaching Because:

IT IS Fun! Children have a way of bringing the inner kid out of me. One of the most rewarding feelings of all, is knowing that I played a role in putting a smile across their faces.
